Which  
bookmark  
looks  
better?

**KEEP  
CALM  
AND  
READ  
ON**

# Things to consider when designing your bookmark

- Keep it simple
- Think about your color choices. Can you read the text?
- Does your graphic relate to your message/quote?
- Is the text and graphic balanced on your bookmark?  
Neither one is too big or too small.
- Be creative!

# Bookmark Requirements

- Use [Canva](#) to create an original design (do not use a template)
- **Background**--Include a background color or design
- **Text**--Message or quote about reading
  - <https://kidadl.com/articles/inspiring-reading-quotes-for-kids-to-enjoy>
- **Elements**--A graphic relating to the text
